***In the Net Performance - Year 4
Wednesday 25th March @ 10am at Lakeside Primary School***

Dear Parents,

As I am sure you are aware, internet safety of children across the UK has been in the news recently and continues to be a concern.

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying.

In order to do this, we are presenting an interactive play to our Year 4 pupils **on Wednesday 25th March**, which will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation. The play is age appropriate and is called '**In the Net**'. It will last for approximately 50 minutes and pupils will be provided with a support pack at the end of the production.

This activity is part of a programme of work around raising and tackling the complex nature of Internet Use and is being supported by the Education Sub Group of the Gloucestershire Safeguarding Children Partnership (GSCP).

We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line.

We be walking to Lakeside and will arrive back at St Mark's before lunchtime. Please contact the school office via clerical@st-marks.gloucs.sch.uk if you do not wish for your child to attend the performance. If you have any questions at all, please do not hesitate to contact us.

We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line.

Yours sincerely

The Year 4 Team
