Dear grown-ups,

With The Ball Sports Coaching are excited to be extending and enriching PE opportunities at St Mark's this summer! We're delighted to be offering our brand new **BigHit Cricket Academy After-School Club on Wednesdays** across terms 5 & 6. This club is designed for children who want to develop their cricket skills in a fun, structured and high-energy environment.

Across the programme, players will build strong core cricket techniques while developing confidence, teamwork and game awareness. Sessions follow a **progressive academy pathway**, supporting both beginners who are new to cricket and children who already enjoy the game and want to improve further.

Children will develop **batting technique and shot selection, accurate bowling actions and consistency, confident catching and fielding skills, agility and coordination, and game awareness including tactics and decision-making**. Sessions include skill challenges, drills and small-sided gameplay, helping children apply what they learn in realistic match situations while progressing at their own pace.

Spaces are limited and offered on a **first-come, first-served basis**. Full club details and booking information can be found by scanning the QR code or visiting: <https://with-the-ball-sports-coaching.classforkids.io/info/371>

We deliver **life-changing sports experiences** for every child — no matter their age, ability, or experience. Our sessions are inclusive, safe and built around **structure, progress and purpose**. Children who attend at least one after-school club each term make, on average, **18% more progress across the PE curriculum** than those who do not.

If you have any questions, please don't hesitate to get in touch. We look forward to welcoming your child to the academy!

Best wishes,
