Dear grown-ups,

With The Ball Sports Coaching are excited to be enriching PE at St Marks this year — and for term 6 we're delivering a new after-school club... BallOrNothing Athletics!

The club will run on Fridays and is open to all children across the school. BallOrNothing Athletics is an exciting athletics programme where every child takes part in every event. Sessions combine traditional athletic activities with fun races, team challenges and creative competitive events to keep children active, engaged and constantly improving.

Throughout the term, children will develop a wide range of physical, social and thinking skills including running, jumping and throwing technique, coordination, resilience, teamwork and positive competition. Our coaches will actively work with children to improve at every event through structured practices, coaching points and progressive challenges, helping every child build confidence while tracking personal bests and celebrating progress.

All club participants will be invited to represent their club at our BallOrNothing Athletics Festival, taking place at Churchdown School Academy on Saturday 11th July. Children from across Gloucestershire will come together for a huge day of races, relays, challenges and teamwork — a brilliant experience and a fantastic way to celebrate everything they've learned. Please note: festival entry fees apply separately.
