

☆ Could you support the children of St Mark's as part of our amazing PTA ? ☆

The PTA make an invaluable contribution to the school, both financially and in terms of enrichment for the children.

In the last three years they have achieved so much for us:

- Musical theatre lessons for all of the school
- New i-Pads
- Pupil Laptops
- Air conditioning units for two very hot classrooms
- Reading scheme resources
- Playground resources
- Year 6 Leavers Hoodies every year!

Here's what our children have to say about our PTA :

I am so glad the PTA are here to fund all of the fun things we do at school.

If it wasn't for the PTA we wouldn't have a Summer Fair, leavers hoodies, movie night, bake sales, ice lollies on hot days, school discos, iPads, First Aid training and books for our library.

Their fantastic events are made possible by a group of creative and generous volunteers. If you think you might be able to play a part, big or small, in keeping this going **please contact pta@st-marks.gloucs.sch.uk**.
