We the Curious at Bristol

Dear Parents,

We have arranged a trip to 'We the Curious' Science Centre in Bristol **on Wednesday 2nd December 2026.**

As part of the visit, the children will learn about the energy sources that we can use to generate electricity, investigate conduction properties of different materials (including the human body!) and apply their understanding to build circuits.

Children will need a packed lunch for the trip and wear school uniform. Unfortunately, we will not have any time to visit the shop so children will not need to bring any spending money.

We plan to leave school at **8:30am** so children will need to come into school between **8:15am and 8:20am** through the main entrance. We will depart from Bristol at **2:30pm** and expect to return to school at **3.35pm**. If there is any delay, we will inform you via text with any change of our return time.

We are asking for a contribution of **£22.50** per pupil to cover cost of the trip to be paid using your ParentPay account by **Monday 23rd November 2026.** Although a contribution is requested, we need to stress that unless there is sufficient interest and willingness to contribute towards the cost, the trip will not be able to go ahead.

For those families in receipt of Free School Meals, the funding will cover the cost of this trip for your child. However, we would ask you to access your ParentPay account in order for you to give consent for your child to go on this trip.

Please do not hesitate to contact your class teacher if you have any questions.

Yours sincerely

Miss Thom and Miss Barrett.
